

THE ARMY PAINTER

NEWS: MAY 2009

Dear All,

Safely returned from Vegas, US – we would like to thank all you US Retailers who came by our stand and got a demonstration. Also a huge thank you to Bob, Danny, Brad and the fantastic ACD lads for taking so good care of us.

7ML. SUPERGLUE DISPENSER

This little baby has caused us quite a headache, but we have reached the end of the project (and your patience!) and now have the brand new 7ml. Superglue Dispenser ready for sale **18. May 2009!**

1 x 7ml. Superglue pot, MSRP: \$ 3.99

A Quality Guaranteed Superglue, made in Denmark!

To prove we are not joking: our brand new 7ml. dispenser:

COLOUR PRIMER DISPENSER – the ultimate re-stock POS, JUNE '09

In June we will be releasing the Colour Primer dispenser into main Europe. The dispenser is designed especially for the small to medium sized Retail stores and features **9 x Base Primers** and **9 x assorted Colour Primer Colours**. Quick & Easy way to restocking!

Released alongside the CP Dispenser, and included in the dispenser is the new **DEMONIC YELLOW** Colour Primer.

Yellow Pigment is the weakest so even with the CP technology we advice spraying twice for best effect.

Left: the cool 18 pcs CP dispenser. Perfect to give smaller stores a Nice display and a broad selection of the CP range.
